My Boat Is So Small: Creating a Harbor of Hope and Health Care for All Children - National Observance of Children's Sabbaths® Manual, Vol. 16

This manual guides you in developing worship services, education programs, direct service activities, and social justice initiatives for your congregation, organization or community.

This year's manual focuses on how we can create a safe harbor of hope and health care for all our nation's children, including the 9 million children in America without health insurance and the poor and minority children facing risks and disadvantages that often pull them into a "Cradle to Prison Pipeline."

This easy-to-use reference provides worship materials for Christian, Jewish, Muslim, Buddhist, Bahá'í, and other faith traditions, and resources for an interfaith gathering. It also offers bulletin inserts, ideas for hands-on service and advocacy efforts, guidance for strengthening your efforts for children throughout the year, and much more.
