

CAREGIVING

A Quarterly Publication of the Association of Brethren Caregivers

Caregiving is a quarterly publication dedicated to providing practical information and news about caring ministries for the Church of the Brethren and wider community. Upcoming issues will offer unique perspectives on themes such as:

- Is Caregiving a Burden or an Opportunity;
- How Does Money Affect Caregiving;
- Reclaiming the Role of Elderhood;
- Making Gifts Meaningful;
- Intergenerational Caregiving;
- Hospitality and Friendship; *and much more!*

Caregiving includes information for deacons, older adults, families, chaplains, retirement communities, disabilities, marginalized people, health professionals and whole-person health.

Subscribe now to this publication tailored for everyone involved in caring ministries! *Caregiving* offers two subscription rate levels – one for individuals and another for congregations wishing to provide multiple copies to pastors, deacons, church leaders, educators, health professionals or other caregivers within their congregation. Subscription rates are \$12 annually for individuals and \$6 per subscription for congregations.
