WORSHIP

The ideal of simplicity guides the decisions of our daily lives as Brethren. Our worship this week attempts to hold our desire for simplicity and the invitation to find deep purpose as we joyfully worship God in community.

Processional #25
"Light of the World"

*Responsive Call to Worship

One: Yes, friends, it is true. God shines in our hearts and we carry that light into all the world.

All: I carry the light of the world?

One: Yes, friends, even when we fizzle out and the darkness sets in, we trust that God's spark is there, if we only have eyes to see it.

All: I carry the light of the world.

One: We carry this light so we can shine a spotlight on the beauty and power of God, an eternal flame of hope.

All: We carry the light of the world!
