†Offerings for the ministry of Annual Conference provide financial support to more than just facilities and business sessions. They also help to provide children's activities, insight sessions, spiritual growth activities, meaningful worship experiences, and special events. Support of Annual Conference through these offerings also provides for staff and volunteers and the witness of the Church of the Brethren to our host city. The witness continues through the presence, words, and deeds of each one of us.

*Responsive Call to Worship

One: Have you heard the commandment? The true light is shining and the darkness is fading away.

All: You carry the light of the world.

One: When we hate, the light is diminished. When we love one another the light shines bright.

All: You carry the light of the world.
