CHURCH OF THE BRETHREN ANNUAL CONFERENCE
QUERY CHECKLIST

The query is the time honored method of raising concerns and securing answers for those concerns through the Annual Conference of the Church of the Brethren. Procedures have been established for the preparation and processing of queries. These procedures may be found in the Minutes of the Annual Conference of the Church of the Brethren, 1965-1969 on pages 60, 260, 317-319, and 426-427, and in the Minutes of the Annual Conference of the Church of the Brethren, 1990-1994, on page 336.

To ensure that a query is processed through the proper procedure, the checklist below is to be completed by the local church and the district. Send this form by December 1 with the query (and the district’s letter of explanation of the origins of the query and list of actions taken on the query to this point) to the Annual Conference Secretary and to the Conference Office Director. Please contact them for assistance with this checklist.
