Call to Worship
Rachel Witkovsky, BVS Unit #295

One: Sometimes it feels as if we never agree.
All: But, if we are to be followers of Christ,
One: We must strive to love each other.
All: When we come together to worship and to serve,
One: We need to remember that,
All: We are a community.
One: We all want the same thing,
All: We put ourselves aside,
One: And help others get ahead.
All: We forget ourselves,
One: Long enough to lend a helping hand.
All: We are here today to love each other, to serve each other,
One: And worship with each other.
