Unison Prayer
Laura Whitman, BVS Unit #307

God, we are comforted by your love and encouragement. Your love has made a difference in our lives. But, God, we confess that sometimes it is hard to live in community; our differences push us away from each other and we cannot find common ground. We want to make your joy complete. We want to live in harmony with each other, showing love, and becoming deep-spirited friends. Allow us to forget ourselves and our opinions long enough to lend a helping hand to others. Because it is what is right. Because it is what Jesus would have done. Amen.
