Prayer
Theresa Ford, BVS Unit #303

Dear God, we thank you for the example that Jesus was for us, especially in the way he spent so much of his time talking with you. He would give up sleep to satisfy his desire to talk with you. We ask that you would lead us on a similar journey. Help us to be better at spending time in prayer. Help us to sense your powerful and peaceful presence that fills us when we spend time with you. We know that wherever we go you will be there guiding us, and that whenever we need your strength, it is available to us through your Holy Spirit. We are the body of Christ on earth, and we ask that as we give our lives to you, God, that you would help us to pour into others the peace and joy that we receive by being in relationship with you. It’s in your precious name that we pray.
Amen.
