

Prayer of Confession with Psalm 19

The Psalm

Psalm 19

CONFESSION (*in unison*)

Lord God, we have heard your word to us in scripture that your law is perfect, reviving the soul. We confess that our souls are deadened, in need of reviving.

We have heard that your commandments are clear, enlightening the eyes. We confess that our sight is made dim by prejudice and pride.

We have heard that your ordinances are true and righteous. We confess that we disregard your will for us; we are too eager to believe what is false, to treat injustice with indifference.

In your mercy, O God, forgive our sin, revive our souls, give us sight for our blindness, lead us in the way of truth and right. We pray through Christ, our Lord. Amen.
