

O FOR THE COURAGE TO OBEY

An evangelism hymn

To be sung to the tune Azmon, No. 110 in *Hymnal: A Worship Book*

O for the courage to obey the challenge to proclaim—
To spread God's Word 'til all have heard the message of Christ's name.

Within our homes we show God's love through kindness to each one
Who lives with us and looks to us as examples of God's Son.

And with our neighbors let us share the peace and joy and rest
Available to all who seek. It is God's joy to bless!

For the whole world God sent his Son, now let us do our part
By showing and by sharing love 'til God lives in every heart.
