

**Project Title: Lewiston Area Mission School #1718**  
**Job Title: Teacher's Assistant**

**Job Description:**

The specific duties required of the volunteer will vary depending on the individual's interests and abilities. The volunteer will be expected to assist the teacher/s. This may include using flash cards with the students, reading to them or listening to them read as well as answering students' questions. Other areas include supervising recess, and assisting in gym class. Past volunteers have taught a foreign language and music.

**Minimum requirements;**

A love for children and learning.

High school diploma or completed the equivalent in a home school setting. It will be helpful if they did well academically.

**Description of Project:**

We are a small private Christian school located in a rural area in Southern Maine. It is our desire to provide an alternative to public and home schools to Church of the Brethren families or anyone else who is interested in our education based on the high moral values found in God's Word.

A wonderful opportunity to impact children's lives and to assist families in the educational process. You also will be blessed in being part of the Church of the Brethren fellowship here in Maine. Looking for a challenge instead of a mundane project- Here it is!!!

**Housing for Volunteer:**

Low-income housing, community apartment.

**Additional Factors;**

BVS/BRF volunteers only.
