The Spirit presents itself to many as an enigma. Its existence is mysterious and complex, generating misunderstandings and unawareness of its true purpose. The Spirit’s ambiguous nature opens the opportunity for study to unearth the exciting truths that it holds. The Spirit is present in our world in various forms and invites us to work for climate justice, racial justice, and gender justice. It stirs us to work toward new kinships with God that are sustainable, just, and whole. The Spirit empowers, sustains, and encourages us to live out our call and ministry.
