Reflections from Elder John Kline
One hundred and fifty years ago, our country was in the midst of the Civil War. The Brethren were divided, not by lines of theology or scriptural interpretation, but by the geographical battle lines of Union and Confederate armies. Elder John Kline of Virginia was a leader in the Brethren cause for peace, including his strong desire to maintain unity with Brethren from the North and the South.

Invitation to Anointing
After a symbolic anointing of our preachers by Moderator Bob Krouse and “Elder Kline,” all are invited as led by the Spirit to move during the time of singing toward the designated deacons and ministers who will be offering anointing and prayer to anyone who desires it before departing the worship service. Those persons not desiring anointing are requested to depart in respectful silence.
