

Church of the Brethren

August 2018

Dear Ministry Leader:

I have exciting news to share with you. We have arranged with Brotherhood Mutual Insurance Company, to be part of their ministry partner program. Brotherhood Mutual provides high-quality insurance protection and risk management services and works exclusively with churches and related ministries.

When churches practice good risk management, they provide a safer place for their members to worship, resulting in few losses. When that happens, Brotherhood Mutual gives our denominational office a Safe Ministry Reward payment. The ministry partner program does not affect insurance premiums, but it does help our denomination when member churches and ministries manage their risks well.

I have personally found the Brethren Mutual Aid Agency agents that support our insurance program to be very knowledgeable and helpful, as well as spiritually interested in church ministries. Brotherhood Mutual is represented by independent agents who subscribe to a code of ethics based on scriptural principles. I understand that many of the agents serve in churches and ministries of their own, so like those with whom I have worked, they have a good understanding of ministry activities and the potential risks involved.

You can find more information about Brotherhood Mutual and the many risk management services that the company offers at www.brotherhoodmutual.com, or you can contact our agency representative via their web site at www.maabrethren.com or by phone at 800-255-1243. I am also available at 800-323-8039 if you want to talk about our experience with Brotherhood Mutual and Brethren Mutual Aid Agency.

Blessings,

Brian Bultman
