

I ask him to strengthen you by his Spirit—not a brute strength but a glorious inner strength—that Christ will live in you as you open the door and invite him in. And I ask him that with both feet planted firmly on love, you'll be able to take in with all followers of Jesus the extravagant dimensions of Christ's love. Reach out and experience the breadth! Test its length! Plumb the depths! Rise to the heights! Live full lives, full in the fullness of God.

God can do anything, you know—far more than you could ever imagine or guess or request in your wildest dreams! He does it not by pushing us around but by working within us, his Spirit deeply and gently within us.
