National Junior High Sunday 2018
“Abundant life in Jesus,” based on John 10:10 (NRSV)

Invitation to Give
by Emmett Witkovsky-Eldred

Through Jesus, God has given us an abundant life. Christ is the gate to green pastures. He is the gentle shepherd who wards away the wolves and thieves who would do us harm and leave us empty. He is the one who knows each of us by name and beckons us into his fold. Life in Jesus is full, rich, safe, and fulfilling.

From the abundance with which our lives have been filled, God calls upon each of us to give just as abundantly. May we be a blessing to this congregation, to our community, and to our world, so that all may know and enjoy the abundant life that flows from God.
