“Abundant life in Jesus,” based on John 10:10 (NRSV)

Litany

by Connor Ladd

Dear Jesus, you are meek and humble of heart. Deliver us from the desires and fears of this world. Although there will be times when others may have more than we do, there will also be times when we will have more than others. During both of those seasons, help us to know deep in our hearts that living abundantly in You is not related to how much stuff we have.

Help us to have humble hearts and to remember we are all equal in the eyes of God. Help us to remember all you have done for us, Jesus, and to live the way You teach us so that we may live abundantly with You.
