Responsive Welcome 1
by Amber Harris and Frank Ramirez

One: God calls us. We know stuff nobody else knows.

Two: God calls us. We have the support of our families, friends, and church!

Three: God calls us. We can learn from those who have come before us. We have much to teach as well.

One: But what if no one knows what we know?

Two: But what if we don't have the support of people who know us?

Four: But what if those who could learn from us don't listen?

All: God calls us to be Strong and Courageous. God calls us to be Strong and Courageous. God calls us to be Strong and Courageous.
