

**National Youth Sunday 2016**  
**Mountains or Valleys, the Lord is Our Shepherd (Psalm 23)**  
Creative elements

- Hang a paper cut out of mountains and valleys on a wall. Write life “ups” on mountains and life “downs” on valleys.
- Create a word search with shepherd themed words to include in the bulletin.
- Create mountains and valleys for the worship center, using cloth and upside down clay pots. If you are even more creative, create mountains and valleys out of paper mache.
- Collect pictures of “high places” and “low places” from your state. Show the pictures in a power point at a reflective point in the service.
