

National Youth Sunday 2016
Mountains or Valleys, the Lord is Our Shepherd (Psalm 23)
Offertory Prayer by Krystal Bellis

Heavenly Father, we know we take for granted the things that we have - without realizing what others don't have. Though school can sometimes frustrate us, we are lucky to be able to attend. We feel for those who do not have this advantage. We think especially of young people in Nigeria, whose education has been interrupted by violence. Let us try simply to help them with our giving. Amen.
