**Mountains or Valleys, the Lord is Our Shepherd (Psalm 23)**  
Prayer by Yeysi Diaz

Dear Heavenly Father,

We give you thanks for being our shepherd, and for giving us another wonderful day. We give you thanks for bringing with us together in your presence once more. We know that you are walking by our side through our bright times and our darkest times. Protect us with your all mighty love. Help us spread your message to the world that whether we are in the mountains or valleys, you are our Shepherd. In the Almighty's name we pray, amen.
