

Zigler Hospitality Center

April 2017

Dear Friends,

It has truly been our pleasure over the years to have you as our guests here at Zigler Hospitality Center. We have made so many friends who have been with us for personal retreats, spiritual gatherings, meetings and conferences.

We are saddened to have to write to tell you that the Zigler Hospitality Center has been sold and will close as of May 1, 2017.

We, along with our guests, have so many memories here and long-term friendships formed over the years, and I'm sure that you, as well, have fond memories of the times you spent with us at Zigler. Many of our guests rave about the home-cooked meals that they will miss.

We want to let you know that although the Zigler Hospitality Center will close, the work groups in the Material Resources warehouse and Serrv warehouse will continue to be scheduled and are very much needed. The contact person at the Brethren Service Center is now Glenna Thompson, Phone: 410/635-8797. The address is 601 Main St., New Windsor, MD 21776.

For your convenience, if you are planning a future conference or retreat in this or a nearby area, I have included a list of sites that you may want to consider.

Sincerely yours,

Mary Ann Grossnickle and Staff
