

Zigler Hospitality Center

April 2017

Dear friends,

On behalf of the staff of Zigler Hospitality Center, I'm writing to thank you as one of our many work groups that have volunteered over the years with hours and hours of service in the Brethren Service Distribution Center and the Serrv warehouse. It has truly been our pleasure to host many overnight groups here at the Zigler.

We want to assure you that the work will continue in the Distribution Center, and volunteers will be needed. We hope we will be able to depend on you for this important work in the future. However, we also want to raise your awareness to some changes here at the Brethren Service Center that will affect the future scheduling of your work groups.

- Overnight housing and meals will no longer be provided at the Zigler Hospitality Center as it has been sold along with the upper campus and will close as of May 1, 2017
- The Brethren Service Center will now be comprised of the following service agencies: Material Resources, Serrv, Brethren Disaster Ministries, Children's Disaster Services, and On Earth Peace. They will continue their work on the lower campus/annex site -- 601 Main St., New Windsor 21776.
- To schedule a work group for the Material Resources Warehouse, please contact Glenna Thompson at 410/635-8797.
- To schedule a work group for Serrv, please call Barb Warehime at 410/635-8769.
- Lunches will continue to be served to volunteers working 6 hours or more at the Material Resources Warehouse, or at the Serrv Warehouse.
- If your group will need overnight accommodations, discuss those details at the time you schedule your group; or see attached sheet.
- Our Zigler kitchen staff have enjoyed serving home-cooked meals over the years and will greatly miss not having the opportunity to see you and serve your meals.

Sincerely yours,

Mary Ann Grossnickle and Staff
