

# A Guide to Registering Online for Annual Conference

## Annual Conference 2022 – Omaha, Nebraska

Welcome! We are glad you're going to register for Annual Conference this year. Registering does not take long, and this information should help you in understanding and following the process.

### Dates of Registration

Annual Conference registration for all persons will open online at 12:00 Noon central time on Tuesday, March 1. It will remain open through Friday, June 10. After that, registration will take place onsite in Omaha beginning at 3:00pm on Saturday, July 9.

**There are four types of Annual Conference registrations:**

- **Delegates.** Delegates are the official representatives from congregations and are the only persons who can vote on items of business. Pastors are not automatically considered Delegates.
- **Standing Committee Delegates.** These delegates are the official representatives selected by their district.
- **Non-Delegates.** Non-delegates are everyone else.
- **Non-Delegates-Virtual.** Registrants for the virtual option will have access to business, some equipping sessions, and special events. They will also be recorded for viewing at a later date.
