### Monday Offering Ministerial Training for International Church of the Brethren Leaders

The body of Christ known as the Church of the Brethren is expanding across the globe. Thanks be to God! As individuals are drawn to our witness and new congregations are planted, leaders are asking for biblical training and instruction on Brethren history, theology, and practices. Your generous gifts will be used to support local training programs, seminary tuition, and online trainings. Thank you for your partnership in addressing one of the greatest needs of the global Church of the Brethren.
