### Tuesday Offering Core Ministries

We are called to be Jesus in the neighborhood. As we seek to live into this vision, your generous gifts will support the mission and ministry of the Church of the Brethren: undergirding and expanding discipleship formation through youth and young adult ministries, intercultural ministries, events, and initiatives; training and equipping innovative, adaptable, and fearless leaders; renewing established congregations and planting new congregations; supporting international missions and service ministries. Thank you for partnering in this life-changing work for the glory of God and our neighbor's good.
