

## **NB 5. Recommended Cost of Living Adjustment to the Minimum Cash Salary Table for Pastors**

One of the mandates of the Annual Conference to the Pastoral Compensation and Benefits Advisory Committee is to provide a recommendation for action by the delegate body regarding a cost-of-living adjustment for the Minimum Cash Salary Table for Pastors. In an effort to make the cost-of-living adjustment recommendation as accurate and timely as possible, the Pastoral Compensation and Benefits Advisory Committee will study data from the Consumer Price Index and the Employment Cost Index in June 2023. This recommendation, based upon those two indexes, will be announced at Annual Conference.

The Pastoral Compensation and Benefits Advisory Committee recommends a \_\_\_\_% cost of living increase to the approved Minimum Cash Salary Table for Pastors.
