### Thursday Offering Found House

Found House IHN began providing emergency shelter to homeless families in 1991 as the Interfaith Hospitality Network of Greater Cincinnati. In addition to continuing to provide emergency shelter, their program and services now include: KEYS to a Future without Homelessness, supporting young adults ages 18-24 who find it difficult to find housing with little/no credit or good tenancy history; The Child Enrichment program, providing educational support, structured activities, and integrated assessment services, minimizing factors what would otherwise put children's futures at risk; Aftercare, providing extended case management & support for families after exiting Found House's Emergency Shelter; Rapid Re-housing (RRH), quickly linking families to housing; Transitional Housing/Rapid Rehousing (TH-RRH), providing support for parents of young children through transitional housing while achieving goals and addressing barriers leading to gradual housing independence; and a Pet Support Program, providing temporary shelter for dogs, cats, and other pets whose owners are in shelters, hospitals, or rehabilitation programs. Your generous gifts will help Found House provide the tools, resources, and support that families need to overcome homelessness and achieve long-term stability.

Note: Monetary gifts should be made directly to the organization
