PARKING DETAILS

To obtain complimentary parking, you **MUST** park in one of these two garages and be staying in an Annual Conference hotel.

1. Upon arrival at one of the approved garages listed*, obtain a parking ticket from the automated machine. Verify address on ticket displays the correct garage name and address. Park your car and keep your ticket. *Do not fold or crumple up ticket.*
2. Before you need to exit the garage, take your parking ticket to the Annual Conference office at the Duke Energy Convention Center located in the Elm Street Coat Check – first floor, to receive a validation sticker.
3. Once validated, take your ticket with you to your car. Drive to the exit gate and **insert your validated ticket FACE UP into the ticket slot at the exit lane pay station.** Do NOT attempt to scan the barcode on your ticket. Your ticket must be inserted into the machine in order to process. The exit gate will open and you can exit the garage.
4. If you need to park your vehicle again, obtain a parking ticket from the automated machine and start the process over again. Supplies are limited.

*You may want to drop off your luggage at your hotel prior to entering the garage.
