*This song was written for the Church of the Brethren's 237th Annual Conference by Seth Crissman and Greg Yoder of The Soil and The Seed Project.*

THE SOIL AND THE SEED PROJECT is a community-supported ministry working for spiritual renewal—in individuals, families, and communities—using artistic beauty to create new rhythms and spiritual practices through which we can together turn towards Jesus in the ordinary moments of life.

A number of the songs sung at Annual Conference this year come from The Soil and The Seed Project, including:

- Faithful God (Vol. 10)
- Lord, Have Mercy (Vol. 10)
- Jesus, Roots Us In Your Love (Vol. 10)
- Because of Jesus (Vol. 7)

The project is a gift to the church, given freely thanks to the community that supports it. If you would like to take home FREE physical copies of The Soil and The Seed Project for yourself and/or your congregation, please find Seth or Greg before you leave.
