

# WALKING BY FAITH

## CARING FOR IMMIGRANTS IN OUR COMMUNITY AND OUR CALL TO EMBODY LOVE

Thursday, July 3<sup>rd</sup> at 12:30pm  
Auditorium III and Online

*“I was a stranger and you welcomed me” (Matthew 25:35, NRSVue)*

For decades, the Church of the Brethren has publicly committed to welcoming immigrants to the United States as part of the biblical call to welcome strangers. How can the church uphold that commitment and how can churches and members stay safe under renewed threats of deportation? In this session, Intercultural Ministries and the Office of Peacebuilding and Policy will give an overview of current immigration policy, give examples of advocacy and direct service from the denomination, from congregations, and from individuals around immigration, and share resources on legal rights and what support is available.
