## IMAGINE! Visiting MAA in Fort Wayne!

For 140 years, Mutual Aid Agency has been part of the Brethren story.

We've insured your churches. Your camps. Your ministries. We've walked alongside congregations through growth, transition, and crisis. And we've tried to live out the same values you do—care, stewardship, and showing up when it matters.

This year's conference theme is Imagine! and we love that.

Because imagining a future where the church thrives means asking practical questions too:

- Is your ministry protected as it grows?
- Does your coverage reflect how you actually serve today?
- Are there gaps you didn't know existed?

We'll be at Annual Conference with answers—and some treats.

Stop by our booth. Ask about church insurance. Ministry coverage. Personal lines. Or just say hello. We're here to serve!

Whether you've been with us for decades or you're just curious what makes MAA different, we'd love to talk.

Booth 10 | June 28 - July 2 | Fort Wayne, Indiana  
See you there.

**Serving ministry. So ministry can serve.**
