BRETHREN DISASTER MINISTRIES PROGRAMS

BRETHREN
Disaster Ministries

CHILDREN'S DISASTER SERVICES:

CDS supports families and advocates for the unique needs of children impacted by disaster.

- Trains, screens and certifies volunteers
- Responds quickly to provide a secure and comforting presence for children
- Offers specialized care for children experiencing grief and trauma
- Educates communities on trauma and the resilience of children

REBUILDING PROGRAM:

The BDM Rebuild Program focuses on the long-term needs of the community.

- Repairs and rebuilds homes for the most vulnerable
- Engages a network of faith based volunteers
- Provides trained construction leadership and volunteer management
- Helps transform lives and hearts, as well as homes and communities

GLOBAL RESPONSE:

BDM responds to natural disasters, war, civil strife and other emergencies by supporting coordinated relief efforts worldwide to:

- Supply emergency shipments of food, shelter, water and medicine
- Enable people to regain their livelihood by providing tools, training and resources
- Restore lives through community-driven programs
