Your child(ren)'s safety and security is very important to us. To ensure the very best care for your child, we've established the following procedures.

Check in: As you check your child(ren) into the secure Children's Disaster Services Center

- We ask you to fill out a form with information on your child(ren)'s special needs, allergies, food sensitivities, medicine, and physical or medical conditions.
- We request a cell phone number where you can be reached.
- You will use the same form to sign your child(ren) into the center.
- Wristbands with matching numbers will be placed on both your & your child(ren)'s wrists.

Check out:

- We will confirm that the wristbands match before your child(ren) is removed from the center.
- You will be asked to sign him or her out.
- We will remove the wristbands.
