Ethics for Congregations

Case Study #5

Scenario

The congregation has updated their website. Rather than use stock pictures from their website developer, they have used pictures taken throughout the year at church activities. A new family to the church was surprised when a photo of their middle child on the new home page. They have approached the pastor and asked that the picture be taken down.

Discussion Questions

What appears to be inappropriate in this scenario?

How could the congregation have avoided a conflict in its values?
