Ethics for Congregations

Case Study #6

Scenario

The community engagement team has called several new and energetic members. They have connected the congregation to a new non-profit organization that the members support. In the build up to the next election, the non-profit has created a slate of candidates to support. The community engagement team announced the campaign in worship and posted the brochure on their bulletin board.

Discussion Questions

What appears to be inappropriate in this scenario?

How could the congregation have avoided a conflict in its values?
