Empowering the Christian Faith Community to Support People Experiencing Mental Illnesses or Addictions/SUD

CHURCHES CARE ONLINE COURSE

We Rise International

MENTAL ILLNESS

Learn the symptoms and support strategies for various common mental illnesses from experts, plus personal stories

ADDICTION/SUD

Learn from an expert in the field about how addiction/SUD changes the brain and how to support someone in recovery

TRAUMA

Expert explains the impact of trauma on physical, psychological, and spiritual wellbeing and ways to support those in your span of care.

- 18 hour, online course
- Self-paced over 6 weeks
- Cohort of church & lay leaders
- $149 per person (ask about early bird & group discounts)
- Certificate & Pastoral CEUs

CHURCH STRATEGIES

Develop strategies to reduce the stigma around mental health discussions in your church, and increase empowering knowledge and support within the church.

EMERGENCY RESPONSE

Expand crisis intervention knowledge and strategies to assist, support, and link to help someone in an emergency situation

SELF-CARE

Discuss the practice of compassionate self-care through refueling your emotional and spiritual wellness

BOUNDARIES

Discover ways to protect & set healthy boundaries to balance roles and prevent burn-out
