STEP 4: Make FaithX trip selection

Make Your Selections

To finish your registration, you must select a trip and pay a deposit.

[For a video explanation of how to select a trip and make payment, click here.](#)

OPTION 1: PAY DEPOSIT ONLY

- 1) Select your trip under the orange "DEPOSIT" section.
- 2) Scroll to the bottom of the page to acknowledge terms and click "Confirm Selections."

The \$150 non-refundable deposit reserves your spot on your chosen FaithX trip. Only the trip selected under deposit will be reserved - if you select "Trip A" under deposit, and then select "Trip B" under remaining balance, you will be registered for "Trip A" only.

During checkout, you may select "pay now" to pay your deposit by credit card or you may select "pay later" to complete payment by check.

If you choose to only pay your deposit at this time, you will be able to return to this registration form at any time before April 1, 2024 to pay your remaining balance.

OPTION 2: PAY FULL BALANCE

- 1) Select your trip under the orange "DEPOSIT" section.
- 2) Decide your registration fee level - Supporter, Standard, or Subsidized.
- 3) Select your trip under the corresponding dark blue "REMAINING BALANCE" section.
- 4) Scroll to the bottom of the page to acknowledge terms and click "Confirm Selections."

FaithX uses a pricing model that allows you to choose a fee that most closely reflects your ability to pay for a FaithX trip. You may select between three options: Supporter (actual cost + extra FaithX support), Standard (actual cost), and Subsidized (discounted cost).
