

Love the world like Jesus - with courage, care, and healing

Walk in Love as Christ loved us and gave himself for us an offering and sacrifice to God - Ephesians 5:2

The retreat will focus on finding courage to walk in love in a world of violence, stress, and conflict. Plenary sessions will ponder the personal formation and character of those prepared to love like Jesus, the challenge of loving our enemies or opponents, and the role of the Holy Spirit in empowering a mission of love.
