Church of the Brethren

Serving together in mission

Across countries and cultures,
Brethren are following Jesus through
worship, service, peacemaking,
and sharing the gospel.

In late March and early April 2026,
Global Mission executive Sharon
Brugger Norton visited the Church
of the Brethren in Burundi,
the newest member of the Global
Church of the Brethren Communion.
Expert Bukene (pictured on front)
is the founder and lead pastor
of the Burundi Church of the
Brethren. His ministry is one
expression of the relationships
we share through Global Mission
with Brethren and partners around
the world.

Your gifts to the Mission Offering
