Share Christ's peace

Advent invites us to welcome Christ's peace—and consider how we will share it with our neighbors.

Your gift to the Advent Offering supports the Church of the Brethren's core ministries, including the Office of Peacebuilding and Policy, which carries our commitment to peace and justice into public life.

In October, director Nathan Hosler joined National Council of Churches discussions about racial justice, environmental care, and ending wars. He also visited Pastor Richard Kyerematen of Germantown (Pa.) Church of the Brethren to discuss the congregation's ministry and witness to Christ's peace in their neighborhood.

Your generosity helps sustain these connections and the ongoing work of putting faith into practice.

Please give to the Advent Offering and support our shared ministry of peace, justice, and service.
