

# Case Study

## Scenerio

In an effort to make the church building more accessible, the board has asked for bids from contractors. The property committee is tasked with receiving the bids and contracting with the lowest bidder. The brother of the committee chair is a contractor, and has submitted a proposal. His bid came in as the lowest bid and was accepted.

## Discussion Questions

*What is inappropriate in this scenario?*

*How might the conflict of values be resolved?*
