Project Description

Describe the ministry project in detail; include a projected timeline.

Upload a file with projected timeline here if desired

In detail, describe how this ministry project will promote the Healing Racism Congregations and

Communities mini-grant program to 1) Build and advance knowledge and understanding of racial healing and racial equity, 2) Increase trust and relationship building, 3) Provide opportunities for communities and individuals to begin to heal from the harms caused by racism, and/or 4) Build the foundation for long-term racial healing and anti-racism.

How does this ministry project fit in with the rest of your church's ministry?

What are the steps you will take to accomplish this ministry project?

How will your congregation support this ministry project through participation, prayer, funding, etc.?

What will determine the ministry project has accomplished its goal(s)?

Project Funding

What are the estimated expenditures for this ministry project? Please upload or attach a detailed budget.

Congregational Information

What is the average worship attendance in your congregation?

How have/will you made your district aware of your ministry project?

Please describe your congregation's racial/cultural make-up.

What are some goals your congregation has regarding healing racism and cross-cultural

engagement?

What are some hopes that you have regarding your congregation's engagement with healing racism? What are some specific needs that you have and how does your project help to address one or some of those needs?

How does your congregation support your district ministries and Church of the Brethren ministries?
