

National Youth Sunday 2020

Through my fear, I trust in God (Psalm 56:1-4)

Skit by Madison Creps and Rachel Johnson

All characters are sitting around a table eating lunch.

Person 1: Gabby or Garrett (representing God)

Person 2: Bailey or Ben (representing the lost sheep)

Person 3: Emily or Evan (representing the 99 other sheep)

Person 4: Christine or Chris (representing the 99 other sheep)

Person 5: Brooke or Brooks (representing the 99 other sheep)

Person 6: Nicki or Nick (representing the 99 other sheep)

Person 6: "Hey everyone! Here's an invitation to the party I'm having tonight. You all are one of the 100 people I have invited!" *(Person 6 passes out the invitations to the group)*

Person 3: "Awesome. I'll totally be there!"

Person 4: "Sounds great! See ya tonight."

Person 5: "Yeah man/girl, text me the deets."

Person 1: *(leans over to person 2)* "Hey Bailey/Ben are you going to Nicki/Nick's party tonight? I heard it is going to be so much fun!"

Person 2: "Oh I can't. I don't have a ride and I have a busy day tomorrow. I need to study for a test, catch up on some homework, and most importantly, get a full 8 hours of sleep."

(Table starts to laugh at Person 2)

Person 6: "Seriously? It's a Friday night."

Person 4: “You need a stress reliever.”

Person 3: “Yeah, we don’t have school tomorrow. Plus, that test isn’t until next week anyways.”

Person 5: “Who needs sleep?”

(Bell rings to announce lunch is over. Everyone stands up to leave)

Person 1 to person 2: “Are you sure you don’t want to come? We can go and stick together! I will pick you up.”

Person 2: “Okay, I guess I’ll come for a little bit. I don’t want to miss out...”

(Later. At the party. Person 3, 4, 5, & 6 are at the party)

Person 5: “TOUCHDOWNNN. I told y’all that my team was great this year.”

Person 3: “Yeah, I guess they are pretty great!”

Person 5: “Yo, pass the soda and Doritos.”

Person 4 (to person 6): “Thank you for inviting us all here. This is such a great party.”

(Person 1 and 2 walk in)

Person 6: “Hey! There you guys are! I’m so happy you two made it.”

Person 1: *(person 2 just quietly standing)* “Yes, of course. I wouldn’t miss it.”

What game are you watching?”

Person 3: “Oh we are watching Brooke/Brooks’s favorite team compete in the championship.”

Person 1: “Sweet! I was hoping you would have the game on TV!”

(person 1 goes to mingle and talk loudly with 3, 4, 5, & 6)

Person 2: *(QUIETLY says)* “Hey everyone, I think I’m going to head out.”

(Person 2 leaves)

Person 5: “Someone pause the game because I need a bathroom break.”

Person 4: “You got it, dude.”

Person 6: “Hey, I just did a head count and there’s only 99 people here. Someone is missing.”

Person 1: “Oh! That reminds me, where is Bailey/Ben?”

Person 3: “Good question. I haven’t seen him/her since you both walked in.”

(person 1 goes to look for person 2 and finds him/her sitting outside)

Person 1: “I’ve been looking for you! What are you doing out here?”

Person 2: “I don’t know. I guess I felt lost and afraid in there.”

Person 1 *(puts their arm around person 2)*: “How about you come back inside and stick with me and you will no longer be afraid.”

Person 2: “Okay, sounds like a plan.”

(person 1 and 2 head back inside)

Person 1: “Rejoice with me, I have found my lost friend!”

(everyone claps and give a group hug surrounding Bailey/Ben)
