

National Youth Sunday 2021

Psalm 25:15-17 Lonely and afflicted

Call to Giving by Alton Hipps

In the scripture, God promises to relieve the troubles of our hearts. We know that God's work on Earth comes through many pathways, including through the church.

By giving our worries up to God, we are assured that God will fill in the gaps. By giving of our resources, we are allowing the church to live out that promise.

Let us make more of life free of anguish for each other and our neighbors through our giving today.
