

National Junior High Sunday 2021

“Build Wisely” based on Matthew 7:24

Offertory Prayer

Matt DeBall

Generous God who builds and sustains all things, thank you for faithfully caring for us and for revealing your presence in the world. With our feet planted on your promises, our hearts thankful for your provision, and our hands open to your possibilities, we offer these tithes and offerings to be used for your good purposes in the ministries of our church and for the benefit of our neighbors near and far. Please receive and use these gifts to create and recreate environments where all people can find refuge, stability, and love in you. In the name of Jesus we pray, Amen.
