

National Junior High Sunday 2021

“Build Wisely” based on Matthew 7:24

Prayer

Leah Gatchel

Dear Lord, let us follow the word of Jesus so we may build our foundation strong.

Allow us to build our foundation strong against the rock. There will be storms in our lives. The rain will pour down and try to flood. The wind will cut through and try to knock us to the ground. But let us look to the ground where we have built our foundation strong against the rock, come what may in our lives. Give us the courage to be the wise one who built upon stone. Amen.
