

National Junior High Sunday 2021

“Build Wisely” based on Matthew 7:24

Prayer

Nohemi Flores

Lord, You know our minds and hearts. Teach us your ways. Guide us to become your people, so we can build a house upon the rock when we hear your foundational words.

May we learn and build our life upon the strength in the rock of our salvation.

We give thanks for all that you're doing in us, through us, and above us. Amen.
