

National Youth Sunday 2017
Generations Celebrating Faith (Psalm 145:4 & Acts 2:42-47)
Community building activities outside of worship

- Have an all-church “oral history” celebration – share stories and refreshments!
- Have a talent show or a game night.
- Have an “everybody’s birthday party” – set up a table and a cake for each month of the year. People sit with their birthday month. Play games and eat cake and ice cream!
- Do an intergenerational service project.
- Host a “snow day” story activity – When school was cancelled because of snow, what did you do during the snow day?
