

National Youth Sunday 2022

Foundational (Colossians 2: 5-7)

Uploading Photos

There are two ways you can add photos from National Youth Sunday to our shared National Youth Conference photo album on Yogile! Please note that by uploading photos, you give the Church of the Brethren the right to use your images without additional permission or payment. Please ensure the photos you are uploading are appropriate and do not embarrass anyone as well.

3. Click on "Click here to choose photos."
4. Add photos by dragging and dropping or by uploading into the album.
5. Once you have uploaded the photos, you can click on the photo once to see it in a larger window, and then you can add a title and caption.

Creating an Account

If you are not logged into Yogile, you will see a login prompt when you first click the URL to upload photos. If you upload images without an account, your photos will be credited to "Anonymous." This means you will not have access to your photos once you add them because the app cannot trace them to you. If you have created an account, you are free to delete any photos you have uploaded, should you choose to.
